Tri-Mer are pleased to announce the appointment of three new directors within Tri-Mer Audit Ltd, the assurance arm of the Group, as our firm continues to grow.

Desiree Camilleri Dimech joined the firm in 2016 and prior to this she had gained valuable experience in one of the Big Four Audit firms and in other mid-tier firms. She has a wealth of audit practice experience across a wide range of industry sectors in both local and international companies.

Dustin Gauci joined the firm in 2014, and before that he worked in the banking industry. He brings indispensable technical knowledge on ISAs and IFRSs, as well as experience in various industries.

Ray Mercieca, Chairman of the Tri-Mer Group said: “We are very excited by these three new appointments. All the new directors have been with us for a number of years and have been trained and developed with the professional ethos that we expect from everyone within the firm. They bring into the boardroom a wealth of technical and personal knowledge. I am particularly proud of the fact that two of our new directors are working mothers, which falls within our philosophy of having the right work-life balance, whilst offering opportunities to everyone to grow within the firm.”
