For Immediate Release

Ian Mercieca a partner at local Corporate Services Provider Tri-Mer Services Ltd has been appointed on the EMEA Board of BKR international.

BKR International is in the top 10 global accounting associations and represents the combined strength of more than 150 independent accounting and business advisory firms in nearly 600 offices and over 80 countries. Large enough to offer a full range of services, yet small enough to provide personal service and connections, BKR member firms are committed to delivering superior client service throughout the world, and embodies Tri-Mer's philosophy.

Alistair Bryant, Executive Director of the EMEA region, approached Ian earlier in the year to join the EMEA Board of BKR International as the Association is moving to a new phase of its story, looking to become more relevant and effective for its members and its clients in this changing market.

Ian's first meeting was in Athens in June, where a physical joint meeting will be held between EMEA and APAC regions after a drought of a few years. He will be attending the Worldwide Conference of BKR International in Amsterdam in October.
